WhatsApp & On-line Safety

Please be aware as we move towards the holidays, to still keep an eye on your children’s phone. It is important that parents and carers check messages, on line content and sites that pupils are using and set up parental controls if possible. If they say their friend’s parents don’t check their phones it isn’t true!!The majority of our parents monitor phone usage, as this is the safest way to keep your child safe on-line, alongside educating pupils regarding E-safety. Thank you.

Award Assembly

As next week is a 4-day week and our wonderful Year 6 children will have their final assembly on Thursday 18th July, our weekly Award Assembly will be held on Wednesday 17th July. Please ensure that your child brings in any trophies/awards by Wednesday morning at the latest, so that we have time to include all their achievements in the final newsletter.

STARS OF THE WEEK

Congratulations to:

Reception: Bodhi

Year 1: Olive

Year 2: Alfie

Year 3: Hayden

Year 4: James

Year 5: Thomas

Year 6: Olivia

ATTENDANCE

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
95.1%	99.2%	98.7%	97.4%	94.9%	97.6%	95.3%

OUR LEARNING

In Reception... Reception have been very busy practising for their class assembly on Monday morning. We performed it to Key Stage One on Thursday afternoon who described it as 'The Reception Musical' - we are very excited! Alongside our practising, we have been painting with watercolours, looking at the hour and minute hand on an analogue clock and writing special cards for our teachers!

In Year 1... This week, the children have been reflecting on another fantastic year at Penketh. They have been practising hard for their Celebration Assembly this week, which they performed brilliantly with confidence and enthusiasm! Well done to all of our Year 1 superstars, we could not be prouder of you all!

In Year 2... We have had an incredible week and loved performing in our amazing Celebration Assembly. We are all so proud of ourselves. We have also loved spending two amazing days with our new teacher, Miss Banford. One of our favourite parts was enjoying juice and biscuits whilst we chatted together. What a treat!

In Year 3... In Design Technology, we have sewn pencil cases (thank you to all our helpers) and have constructed money boxes. In English we have written non-chronological reports about rivers. Mrs Clarke was super proud of how we all performed in our Celebration Assembly.

In Year 4... Another fabulous week performing our end of year assembly. It was lovely to be able to remind the pupils of all their fantastic moments in Year 4. To share this with parents and carers was really special. We are still working hard on sewing our tote bags... PLEASE HELP US! If you can spare an hour in an afternoon from 1:20 we would love to see you!

In Year 5... we have enjoyed learning about food miles this week in Geography, attempting to measure how far food has travelled before it reaches the consumer. This is a good way of looking at the environmental impact of foods and their ingredients, thinking about where food has come from and what environmental effects this has had.

In Year 6... This week in Science, Year 6 made a periscope using mirrors and also a shadow theatre using torches. The children enjoyed their last school disco on Monday evening and are busy rehearsing for their Leavers Assembly next week. Tissues at the ready!
