## Friday 28th March 2025

Headteacher: Mrs Rebecca Kayll

Chair of Governors: Mrs Julie Cahill

Tel: 01925 723719

E-Mail: penketh.office@wpat.uk

Website: www.penkethprimary.co.uk

### Welcome Back!

This week, we have welcomed back Mrs Forrester to school, following her period of Maternity Leave. She will be providing extra support to Year 6 in the run up to their SAT's in May and covering Miss Silver's usual days , job sharing with Miss Rowland after Easter.

### Playground Project

As you are aware, the PTFA have helped us to raise sufficient funds to begin Stage 1 of the Playground Project and I am pleased to confirm that work will finally commence next week. Inevitably, there will be some disruption but the children in KS1 will have the opportunity to play on the KS2 playground whilst the work is completed, so it'll all be worth it!

# STARS OF THE WEEK

**Congratulations to:**

**Reception: Estere**

**Year 1: Alice**

**Year 2: Abigail**

**Year 3: George**

**Year 4: Aida**

**Year 5: Georgia**

**Year 6: Josh A.**

# ATTENDANCE

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
100%	92.8%	95.7%	98.1%	98.5%	97.2%	98.2%

# OUR LEARNING

**In Reception...** Reception have had a busy week! We have been creating our own friendship recipes on how to be a good friend. We have also been writing kind words about our friends in the writing area. In Maths, we have been making number bonds to 10 using the cubes. We have enjoyed making salt dough this week as part of our Mother's Day gift, parents take a look in your child's bag for their special creation!

**In Year 1...** Have you seen the Gingerbread Man? This week, Year 1 have been looking for him everywhere! The children have made their own wanted posters to let everyone in school know about this missing biscuit! In Maths, we have been adding by bridging through 10. Today, we have been tasting different sandwiches as part of our DT work. Over the next couple of weeks, we will be making our own tasty sandwiches!

**In Year 2...** In Maths, we have answered tricky word problems and moved onto our learning about money! We have recognised the value of different coins and notes, and had lots of fun in our class shop! In English, we have started to write a diary as one of the toys from our story. In RE, we learnt about why people may go to church and spoke about our own experiences. We have loved being creative and making our Mother's Day cards and treats. We hope you love them!

**In Year 3...** This week in Year 3, we have worked incredibly hard in our maths lessons. We have been practicing our persuasive techniques by having a debate in our English lessons. We are working towards a persuasive text in which we argue if the ocean is a good place to live for animals. We have had some brilliant ideas on both sides of the argument, and can't wait to write our final piece. In PE, we focused on our tennis skills in the sunshine with our partners. In Music, we have enjoyed learning another new song about being good friends to one another, which goes perfectly with the class respect pledge we all signed too!

**In Year 4...** This week Year 4 have been using their literacy skills to write their own narrative based on their class book 'When the giant stirred'. They have worked hard to ensure they have included all the grammatical features they have learnt, including conjunctions, fronted adverbials and speech sandwiches! It has been a hugely successful week in Maths with more children going green on TTRS and using their times table knowledge to solve problems using scaling, multiplication and division. Roll on Robinwood next week!

**In Year 5...** Year 5 have worked hard this week, particularly on their artwork for the PAN competition! In English lessons, we have researched about Chris Hadfield (a Canadian Astronaut) and will complete our biographies next week! We are becoming experts on equivalent fractions and will build upon this knowledge. During Art lessons we learnt about architect Zaha Hadid and explored her designs. Have a lovely weekend!

**In Year 6...** Year 6 have had another brilliant week and continue to impress the Year 6 team with their resilience as they tackle new challenges and learning. We enjoyed our visit from ICECATS and impressed the trainer with our existing knowledge of how to stay safe and look after each other. We've also loved welcoming Mrs Forrester back to school and can't wait to get to know her more over the next couple of weeks!

# Primary Arts Network

## Exhibition

We have been busy creating lots of fantastic artwork to go on display in the Golden Square as part of the Warrington Primary Arts Network Exhibition. Our display will be near Starbucks from Saturday 29th March to Tuesday 22nd April. Come along and celebrate the amazing artwork we have put together as a school!

## Mad Hair Day

Thank you to everyone who brought chocolate donations into school to support the PTFA Bingo & Quiz nights taking place on Thursday 3rd and 10th April. Tickets cost £2 and are available via Parent Pay.
