Sporting Activities

On Tuesday, we arranged a visit from Progressive Sports who delivered sessions linked to the Paris Olympics 2024. The children took part in sessions of Hockey, Handball, Boxing & Shooting with Nerf Guns!

Much fun was had by all!

Next week, we have invited Matt Fiddes Martial Arts to work with KS2 . Each class will take part in a session to focus on self defence & confidence.

Summer Fayre

The PTFA are working incredibly hard, alongside Year 6, to ensure this year's Summer Fayre is a huge community success. If you are able to help in any way please respond to the email on the flyer that was sent home last week. Thank you.

OUR LEARNING

In Reception... We thoroughly enjoyed our trip to Walton Gardens on Tuesday. We met lots of different animals including pigs, goats, turkeys and lots more! The Zoo Keeper, Kyle, taught us lots of information about what the animals eat and where they come from. We had a picnic lunch, some fun on the park and an ice-cream to end the afternoon. The children's behaviour was exceptional and we are so proud of each and every one of them!

In Year 1... We have loved learning more about baptism in RE. We even held our own special baptism for a baby! We have enjoyed writing our own stories in English, using the structure of Goldilocks and Just the One Bear and introduced a new character into the story!

In Year 2... We have enjoyed reading 'The Last Wolf' and have created an amazing character description to describe Little Red. In Maths, we have looked after different ways to record data. We have learnt about pictograms and created our own. We loved taking part in our Olympic activities on Tuesday. It was so much fun!

In Year 3... We have been Olympians and Musicians this week! The children had a great morning trying out new sports. They worked well as a team and responded well to instructions. Even Mrs Bold joined in! This was also our last week with Mr Oates. The children have loved their year of music composition and all gained their musician badge.

In Year 4... A huge thank you to all the Nans, Grandmas, Mums and sisters that are helping the 'Great Year 4 sewing bee! Thank you from all of Year 4 and keep the help coming, as we are sewing tote bags next! In English the children have now completed their setting descriptions which all created vivid imagery and excellent use of a thesaurus to extend their vocabulary!

In Year 5... This week Year 5 have completed their biographies about Philippe Petit (a world famous daredevil!), I have been really impressed by their use of real-life facts, consistent tense and thematic language. In Maths, we have grappled with thousandths and have used all we know about place value to help with this. The class were phenomenal during our Olympic workshop with Progressive Sports.

In Year 6... This week in Maths we have been revising angles & area to give us clues about which footballer found the missing referee! We have also been preparing our stalls for the Summer Fayre, deciding prizes, charges and instructions. Please come along and support us!
