OUR LEARNING

In Reception... Reception have had a fun-filled exciting week! We have been learning about the lifecycle of a chick and enjoying singing our song 'I'm a Spring Chicken' (Take a look on X/Twitter for our performance!) In Maths, we have been exploring 3D shapes and whether they can roll, stack or both! We hope our families have a wonderful Easter break.

In Year 1... This week, Year 1 have enjoyed designing and writing about their own trolls, based on the troll from The Three Billy Goats Gruff! In RE, we have been exploring how different religions feel part of a community. We have also had lots of Easter fun! Have a wonderful Easter everyone!

In Year 2... Year 2 have had a very busy week! In DT, we have now finished our moving vehicles and we are all so proud of our creations. In Maths, we have continued to learn about division and have loved learning new ways to solve problems. In English, we have described the giant from our story.

In Year 3... The final week of the summer term has been a busy one. We started the week with a Mindfulness Workshop which gave us lots of great ideas for how to deal with different situations. We had great fun making our Easter cards and enjoyed toasting pineapple and brioche over the fire in our final forest school. We would like to say a huge thank you to Mrs Copperwheat for all her hard work over the last 6 weeks. Finally, we have had our reward day painting rocks, watching a film and playing games with Mr K. A great end to the term! Happy Easter!

In Year 4... This week, Year 4 have worked incredibly hard in English writing narratives and we know lots of our parents were impressed when they read them at Parents Evening! We also enjoyed a Mindfulness workshop with our School Link Mental Health Team exploring ways we can support our own mental health and wellbeing.

In Year 5... Year 5 have worked with improper and mixed number fractions this week, they have used their knowledge of times tables and division well. In English, we have nearly completed our NYC newspaper report about King Kong's demise!

In Year 6... This week Year 6 have been writing a set of instructions for how to survive on a desert island. In Maths, we have been measuring and drawing angles using a protractor and using this to accurately draw shapes.
