This week our wonderful Year 5 Gospel choir performed a showcase of the songs they are learning for the Feast of Choirs concert. This is to be held at the Liverpool Anglican Cathedral on Wednesday 4th July and we are privileged to be taking part in this concert along with many schools across Warrington. The concert, co-ordinated by the Accent Music Education Hub, will involve around 1,000 children from 25 primary schools across Halton and Warrington who have taken part in a year-long Gospel Singing Project. It really is a wonderful evening and one that we are all looking forward to.

Thank you to all the parents who came to parents evening last night. It is imperative that pupil, parent and school all work together to enable every child to reach their full potential. It's widely recognised that the more involved parents are in their child's education, the better the pupil performs at school. Over the years, many papers have been written about the way a child's classroom performance and academic achievements are significantly influenced by parental involvement. We appreciate how fully engaged and committed our parents are to working with us to secure these positive outcomes for all our pupils.

We hope you all have a lovely half term break; we will return to school on Tuesday 24th April at 8:55am.

Rebecca Kayll and all the Penketh staff.
